

KruC1S

Premium paper. Epic performance.

KruC1S is our premium one side coated paper that provides a superior print surface, excellent crack resistance, and exceptional lay-flat, for all your premium coated one-side applications. Through the use of our proprietary cellulose fiber technology and integrated pulp sources, KruC1S provides the ability to reduce basis weights while retaining similar strength properties. KruC1S delivers unequalled consistency for converting and filling efficiency in a wide range of C1S applications, with the opportunity to lower your out-the-door costs.

Applications

For all your bleached C1S needs: food pouches, tea pouches, coffee pouches, seasoning mix pouches, kitty litter bags, theater popcorn bags, cookie bags, donut bags, stand-up pouches, to name a few.

Benefits

- Consistent high quality
- Exceptional surface smoothness
- Superior print fidelity
- High brightness and gloss
- Crack resistant
- Excellent glueability
- Exceptional lay-flat
- Unparalleled converting and filling performance
- Ability to lower basis weights
- FDA compliant for direct and indirect food contact

Basis Weight (Lb/rm 24 x 36 - 500)	GSM	Brightness (ISO)	Gloss	Parker Print microns	Recycled Content	Fiber Certification (FSC Available)

Why Kruger?

Peace of Mind

With Kruger, you're getting a financially stable and diverse company with a worldwide reputation for excellence and more than a century of experience in the paper industry.

Innovation

Kruger specialty papers are manufactured with our patented cellulose filaments to deliver improved strength, lay-flat, and consistency at lower basis weights.

Service

From our knowledgeable sales and product development teams to our experienced and flexible customer service and manufacturing teams, our focus is on providing products that meet your needs at a price that adds value for all parties.

Sustainability

Maintaining our legacy of responsible, sustainable practices is at the core of all our decisions. To protect our natural resources, our specialty papers are certified to internationally recognized standards.
